---

We have a generic notice asking public comment that is being reviewed by SOL, and being property formatted etc by Exec Sec.

When it is approved, are you willing to sign it? Downey thought you would be the appropriate person, but I thought I should check while we still have time to find someone else. Public Affairs wants to send it to the Register tomorrow so they can send out a press release on it.

The current draft - which is not yet formatted for the register - is attached.
